Diver Certification Training

Our dive school offers certification from complete novice to becoming an instructor.
We will match or beat any authorized dealers' price!

Open Water (beginner) certification minimum age is 10

We offer two class schedules for convenience. Private classes are available for ANY schedule.

- **Weeknight class:** Takes one full week. Meets Monday through Thursday from 6pm to 10pm. Final dives are done that Saturday and Sunday 8am to 12pm or 1pm to 5pm. Classes start every Monday year round (Monday & Wednesday – Class room and Tuesday & Thursday – Pool Work).
- **Weekend class:** Takes two consecutive weekends. Meets Saturday and Sunday 8am to 5pm (8am-noon is class work and 1pm-5pm is pool work) with lunch break (noon-1pm). Final dives are done the following Saturday and Sunday from 8am to 12pm, or 1pm to 5pm. Classes start every other weekend year round.

All classroom and pool time is done on site at Dive World. We have a 12ft heated pool inside the store (no travel is required for pool work).

Classes are on special for \$199.95. Included is manual, logbook, dive tables, loaner dvd, and all major scuba gear. The ONLY thing students are required to provide is mask, fins, snorkel, and booties. We sell all major brands, we are very competitive on prices and students receive in-store discounts on every purchase! These items can be rented for \$40, if necessary.

Dive World is a PADI Five Star Instructor Development Center, the highest rank a dive shop can receive. Students receive an internationally recognized certification that never expires upon completion of course.
